BUILDING SAFETY CERTIFICATE

To whomsoever it may concern

With respect to the G+4 storied Vedic International School building over plot No. 170/449,170/450 & 170/451, Khata Nos.141/99 of village / Mouza: Pabpali, PS: Sason, Tahasil/Dist.: Sambalpur within the area of Sason Gram Panchayat, I certify that the structural plans and details of the building submitted for approval satisfies the structural safety requirements for all situations including the natural disaster like cyclone and earthquake etc. I undertake responsibility with regard to direct supervision of the work at each stage of construction (after laying foundation and after casting of each floor) that the building is being constructed conforming to the approval plan and as per the structural plan prepared by me. I will be responsible and liable for action by Special Planning Authority, Sason/Govt if the plan/design contain misrepresentation or fraudulent information and the construction is made in deviation of approved plan. Both the boundary walls and the room are fire-resistant. The road connected to the building has a load capacity of 60 tonnes. It is constructed with cement concrete, having a thickness of 8 inches (203 mm), using specific concrete mix ratios of 1:2:4 and 1:3:6.
